

RESPONSES TO STUDENT AKO OREWA FEEDBACK SURVEY 2017

The results are presented in comparison with the whole school average and are private only to each staff member.

STAFF MEMBER : KNS

Overall comparison with school average for each of the two survey sections. The percentage difference for strongest Ako answer for each question within the section, then added together to create a score. Your scores were:

Section	Score
(Q1-5) How I learn : (Scale: -22 to +16)	0.8
(Q6-9) My Classroom : (Scale: -12 to +10.9)	-3.4

Individual tally of every available answer for each question:

-50 means 50% below the average school tally (*Ako practice would put minus scores in the righthand columns*)

0 means at the school average tally

50 means 50% above school average tally (*Ako practice would put positive scores in the lefthand columns*)

1. Knowing why I'm learning things.			
I never know why we learn each topic in this class	I sometimes know why we're learning a topic	Most of the time I understand why we're learning	It is always clear why we are learning each topic.
17.9	7.7	-26.7	1.1

2. Am I checking my own progress & success?			
I always wait for my teacher to tell me	I have something I can check against myself but mostly wait for teacher feedback	I mostly use the resource to check my own progress	I always check my own progress & success and request what I need from the teacher
3.4	-6.6	-5.9	9.1

3. What's the best I can do?			
I'm not interested in how well I'm doing.	I'm happy as long as my work passes or gets achieved.	I've checked with my teacher and made improvements.	I keep checking with the mark scheme and/or my teacher to make sure I get the best grade I can.
3.3	4.0	13.4	-20.7

4. Where I learn from			
I only use the things my teacher gives me.	I sometimes find non-class things to help me understand stuff.	Most of the time I use extra resources not given by my teacher.	I always use other things to check my understanding.
9.8	-3.0	-15.4	8.6

5. What next?			
When I get stuck or finish I wait for the teacher to spot that I need help	When I get stuck or finish, I ask the teacher for what to do next	When I get stuck or finish, I normally check the resources and ask anyone who's available	I always check ahead to see where the task is going and use lots of things to sort myself out.

-2.3	8.4	-22.8	16.7
------	-----	-------	------

6. Choosing what to work on			
Teacher decides what we all work on	I can choose which order to do the current tasks in	Teacher gives me a matrix of options	We were asked to negotiate the topic and approach for our work
34.3	-26.0	1.0	-9.2

7. Choosing type of work			
Teacher decides what work we do to prove we understand	We can choose from options like writing, Keynote or iMovie	I can choose the type of work but normally use the same option	I choose the type of work to best suit the task
25.0	-4.7	-11.5	-8.7

8. Choosing who to work with			
Teacher decides where we sit and if we can work with others	I'm sometimes allowed to work with the person next to me	I sometimes sit in different places each lesson	I choose who to work with based on my needs for the task
54.0	-7.4	-16.7	-29.9

9. Managing distractions and time			
It's the Teacher's job to make sure we do the work	I work as hard as I can until finished and then check for next step	I try to get the work finished but normally don't look for more stuff to do.	I make sure I've got everything done to get the top grade I can and look for more things to check or do
35.3	-7.4	-10.1	-17.7
